## **“DOWN THE GARDEN PATH” EDUCATIONAL GARDEN TOUR**

The UC Master Gardeners of Napa County invite you to their sixth garden tour, “Down the Garden Path”, on Sunday, September 13, 2015, from 9:00 a.m. to 3:00 p.m. On this self-guided educational tour you will see seven gardens of Master Gardeners in and around the City of Napa. These gardens illustrate how Napa County Master Gardeners use University of California research-based horticultural information to develop and maintain their own gardens.

The tour includes both large and small gardens where you will see examples of beautiful and creative low-water use landscapes, home garden food production, plantings for wildlife and welcoming outdoor living areas. The gardens incorporate various designs for water conservation including an innovative rain water capturing system. All gardens use plantings appropriate for our Mediterranean climate and are unique in design and function. There will be Master Gardener docents and educational information at each location.

Tickets: \$30 Advance / \$35 Day of Event. Tickets may be purchased online in advance by credit card at <http://ucanr.edu/ucmgnapa> from Friday, May 1 until 4:00 pm, Friday, September 11, 2015.
