OUTSIDE CHECKLIST

- Gather up flammable items from the exterior of the house and bring them inside (i.e., patio furniture, children’s toys, doormats, etc.) or place them in your pool.
- Turn off propane tanks.
- Connect garden hoses to outside taps.
- Don’t leave sprinklers on or water running – this can reduce critical water pressure.
- Leave exterior lights on.
- Back your car into the garage. Shut car doors and roll up windows.
- Have a ladder available.
- Patrol your property and extinguish all small fires.
- Seal attic and ground vents with pre-cut plywood or commercial seals.
